Local Option Vote Taken on November 30th

Area Comprises Nearly Seven Provincial Constituencies

Thursday, November 30th has been
designated by the provincial government as
the date for the taking of a vote on
local option in the license districts
Nos. 2 and 3. This announcement was
made Tuesday and the decision to
take a plebiscite on the liquor ques-
tion was reached as the result of a
conference held Monday between Prem-
ier Sifton and representatives of the
Licensed Victuallers' Association and
the Alberta Temperance and Moral
Reform League. A. W. Ibbotson, of
Lambert, has been appointed return-
ing officer for district No. 2, and Mr.
Atkins returning officer for district
No. 3.

The two license districts in which
a vote on local option will be taken
include the larger part of seven prov-
incial electoral constituencies, Dis-
trict No. 2, Red Deer, Lacombe, Wetaskiwin,
Verdun, Victoria and Stony Plain
in which are located nearly all the
large towns, outside of Edmonton and
Strathcona, in Central Alberta. The
number of polls will be the same as
in the Dominion elections in these
districts, a total of between four and
five hundred. The number of licenses,

Church News

ITEMS OF INTEREST FROM THE VARIOUS DENOMINATIONS

IMMANUEL CHURCH OF ENGLAND
We understand that the proposal to
close this church will not take place
before the end of the present year,
if at all, and it is hoped by them
matters will have no arranged them-
selves that no change will have to be
made.

On Sunday next services will be
held as usual. In the morning the
rector (the Rev. Dr. Coard) will
preach on "The life of a nation."
His subject will be "The equity of
God's dealings with 'dividuals' and
nations." All the seats are free, and
visitors will always be welcomed at
any of the services.

The Rev. Dr. desires all who have
not been confirmed, and who are de-
siring of being confirmed, whether
males or females, children of the age
of fourteen years or over, to meet
him at the church after either of the
services on Sunday next, or to give
in their names at the rectory during
the next week, in order that he may
arrange classes for girls, boys and
adults respectively. Adults are pre-
pared privately if preferred by them.

The classes will commence as soon as
the names are given in. Members of
the congregation will oblige the rector
by advising him of those who are
ready for confirmation either after
service in the church or by letter or
post card.

The annual Thanksgiving service
for the safe ingathering of the har-
vest, will be held on the last Sunday
in this month (October 29), and it is
hoped that gifts of grain, vegetables,
fruit and flowers will be generously
made by the members and adherents
of the church. All plants and flowers
in pots will be carefully preserved and
returned to the owners.

BAPTIST

Next Sunday morning at the Pres-
byterian church, the Baptists will
unite with the other churches in a tem-
perance service, when Mr. J. G. Mil-
ler, of Orillia, will deliver an address.
In the evening, in the Baptist church,
the pastor will preach, his subject be-
ing "The Superhuman Factor."

A most interesting debate on the
subject, "Resolved that Home Mis-
sions should receive a larger portion
of our financial contributions than
Foreign Missions" was conducted by
the Young People's Union on Wednes-
day last. The decision was in favor
of the affirmative, which was upheld
by Mrs. C. T. Holman and Mr. C. F.
McNally. Miss Spurlin and Mr. J. M.

Birdman To Fly From Calgary To Edmonton on Friday

Through the enterprise of the Ed-
monton Journal and the Calgary Her-
ald, the people of Edmonton and var-
ious other cities and towns along the
provincial capital city and Cal-
gary will behold a sight never before
witnessed in this section of the con-
tinent, when the famous French aviator,
Dider Massin, will come soaring
through the air from Calgary to
Edmonton in a record flight, followed
by a special train, and drop his spots
yet to be designated, messages to the
people, and finally alight in this city
bearing tidings from the Calgary Her-
ald to the Edmonton Journal and the

City News

Dr. Edgar Allen, of Edmonton spent
the week-end and the guest of Dr. T. B.
Stevenson.

F. F. Spencer left last week for
Strathcona where he has accepted a
lucrative situation.

G. E. Rice, publicity agent for Al-
is, was in the city this week on busi-
ness and renewing acquaintances.

Don't forget the great wrestling
match in Angus Hall tomorrow (Fri-
day) night, between Ellison and Con-
nell.

S. A. Kasper, who has been on a
business trip to his old home in South
Dakota, returned home on Saturday
last.

Geo. B. Campbell, the Conservative
candidate in this constituency, left
on Tuesday afternoon for Calgary on
business.

Nurse Manson of Edmonton came
down on Saturday and will remain
in the city some time following her
profession.

Mrs. O. O. Felland left on Wednes-
day en route for Toronto, where she
will spend the winter. She is going
via the G.T.P.

Williams' Jubilee Singers will give
a concert in the city on the evening
of November 20th, under the auspices
of the Alexandra school.

The many friends of Mr. and Mrs.
W. C. Brown are pleased to learn
that their son Willie, who has been
dangerously ill, is now convalescing
nicely.

Miss Hope West left on Monday
morning for Calgary to continue her
musical studies in Mount Royal Col-
lege. A number of her friends were
at the station to bid her farewell.

We are glad to record that Mrs.
Coard is recovering from her recent
dangerous illness, and is now able to
sit up. We wish her a speedy recov-
ery to her accustomed good health
and activity.

One of the best social events of the
season will be the hospital dance, to
be given in Angus Hall, on the eve-
ning of November 10th. The Hospital
Aid is already making arrangements
for the occasion.

Mr. H. M. Arnaud, manager of the
P. O. Lewis Insurance Co., Winnipeg,
will be in the city on Saturday
morning, October 22nd, at 11 o'clock.

Mr. G. H. Rice, accompanied by his
family, left for the city on Saturday
morning, to join her husband, who
has accepted a lucrative situation in
that city. Their many friends here
wish them all success in their new
home.

Mrs. B. M. Grien is entertaining her
niece, Miss Barbara Mauer, who is
returning to Los Angeles, Cal., after
an extensive eastern trip of several
months. She is very favorably im-
pressed with the progressiveness of
this country, particularly Wetaskiwin
and exceedingly regrets that business
in Los Angeles, obliges her to return
so soon.

If every teacher in every school dis-
trict in the territory surrounding We-
taskiwin would send us a few lines
telling us of her school section each
week we would be glad to send stat-
ements, stamped envelopes and our
paper free. There would be no other
ending matter sent during the term
that would be interesting reading as
well.

Do you know that a reporter for a
newspaper can in his rounds stop a
hundred persons and ask, "What is
the harvest?" And ninety-nine out
of these will say, "Oh, nothing special."
Yet a large percentage of this num-
ber is in 13 minutes. Broke accepted
Ellison's challenge to allcomers, and
they went to a draw after trying one
hour and thirty minutes, so they have
decided to wrestle on next Monday
night to a finish for a purse of \$200
and gate receipts—Advocate.

The people of Red Deer were given
one of the best exhibitions of wrest-
ling ever pulled off in this town, Sat-
urday night. The main event, being
Hyman of Red Deer and Waklow of
Wetaskiwin, Waklow winning two
straight falls, one in 23 minutes and
one in 13 minutes. Broke accepted
Ellison's challenge to allcomers, and
they went to a draw after trying one
hour and thirty minutes, so they have
decided to wrestle on next Monday
night to a finish for a purse of \$200
and gate receipts—Advocate.

The Duke of Sutherland is undoubt-
edly the greatest land owner in the
United Kingdom and now, following
up his purchase of vast tracts in Al-
berta, has added 12,000 acres near
Port George, B. C. From all ap-
pearances he will not confine his pur-
chases to England alone but will es-
tablish the same name for himself in
Canada.

In a recent estimate, sent out from
Calgary, it is stated that the 1911
total sale with the farmers about
\$200,000,000. The estimate goes on
to say that although the grades will
be lower and in spite of the fact that
adverse weather has been experienced,
the crop is so immense in the three
prairie provinces that the farmers will
have a very prosperous year. Wheat
prices are exceptionally high and other
grains command a good price.

At a meeting of the Board of We-
taskiwin Public Hospital, on Wednes-
day afternoon of last week, it was de-
cided to lease the double cement house
on Court House avenue for a term
of three years at a rental of \$42.50
a month, to be used for hospital pur-
poses. This action will meet with the
approval of the people, as the loca-
tion is a good one, and the house
with a little alteration, can be made
most adapted for a hospital. At the
same meeting, the application of
Nurse Asst., of Edmonton, for the
position of matron, at a salary of
\$60.00 a month, was accepted.

Douglas Receives Handsome Majority

Official Figures Are Announced And Campbell Saves Deposit By 174

J. M. DOUGLAS
Member-Elect for the Strathcona
Constituency

The official report of Dennis Twom-
ey, of Camrose, the returning officer
of the Strathcona constituency, shows
that Mr. J. M. Douglas, the Liberal
candidate, received the handsome ma-
jority of 2524 over his opponent, Mr.
George B. Campbell. There were 8263
votes cast, of which number 5306 were
for Mr. Douglas and 2872 for Mr.
Campbell. There were 84 rejected bal-
lots and 89 spoiled. Mr. Campbell
therefore saves his deposit with a
margin of 174.

It is evident from the above that
the Strathcona constituency has un-
dergone its old-time reputation as being
a Liberal stronghold and Mr. Douglas
is to be congratulated upon the large
majority he piled up, and for the ut-
most credit to the electors of this
constituency have placed in him.

Council Holds Short Session

Several Matters of Interest To The City Disposed Of

The regular meeting of the City
Council was held on Tuesday evening
with all present except Ald. Olin
and MacKinnon.

After the adoption of the minutes
the correspondence was considered.

A letter was read from the Union
of Canadian Municipalities pointing
out the advantages to be derived by
becoming a member of the union, and
soliciting the membership fee of \$10.
This was referred to the Finance Com-
mittee. The fee has been paid. Carried.

Dr. Stevenson, Medical Health Of-
ficer, gave an excellent report on the
health conditions of the city. There
was no epidemic disease during the
month of September, the only cases
of influenza being reported from the
milk sold. Wetaskiwin was as good as
any sold in Canada, as was evidenced
by the lack of infantile sickness in
the city, and the general health con-
ditions in the city were good. The
report was filed.

The John Galt Engineering Co.
wrote re street plans and enclosing
account for the preparation of same.
This was referred to the committee.

A petition for sewer and water con-
nection was read from the property
holders on McDonald street, between
Lorne and Pearce. This was referred
to the chairman of the finance and
water committee as with power to
act.

Ald. Wagner reported on behalf of
the special committee, that he had

interviewed Messrs. H. D. Mills and
C. Shantz, and that they had con-
sented to act on any Justice of the
Peace cases that were brought before
them.

Ald. Angus reported that a new
green white coat could be purchased for
about \$45, and thought the city would
be better off by purchasing a new
one, rather than the one which had
been used. It was then moved by
Chandler-Angus—that the alien be
brought to Calgary. Carried.

John Grant had an account of \$388.15
before the Board for payment on
account of work done at the gas well
but this was not passed as the coun-
cil wanted more information re the
work done.

It was stated that J. H. Knowlton
would paint the weigh scales build-
ing, if paint were furnished. It
was left with the committee to pur-
chase the paint.

Geo. Waterston addressed the council
re a lot he had purchased in the
century, but since the purchase had
been found that the lot had been
sold to another party. After discus-
sion was moved by Wagner-Bill-
Lorne and Pearce. This was referred
to the chairman of the finance and
water committee as with power to
act.

Ald. Wagner reported on behalf of
the special committee, that he had

Census Result is Announced

THE POPULATION OF ALBERTA IS FIXED AT 372,919

EDMONTON, Oct. 17.—Hon. Martin Bur-

rell, Minister of Agriculture, tonight
gave out to the press an official sta-
tement of the result of the census tak-
en last night. The population of Al-
berta is now practically com-
plete. The figures show a population
of 372,919 for Canada as compared
with 3,871,215 in 1901, an increase of
1,719,564. It was estimated that the
population of Canada would be about
eight millions so that the figures will
cause not a little disappointment to
the people of the Dominion.

As compared with the increase of
population in the 1891-1901 decade
the figures are satisfactory. In ten
years preceding 1,901, Canada's popu-
lation increased by only 538,976, as
compared with this the betterment in
increase of 1,719,564 in the past ten
years is large but it is not nearly so
satisfactory as was expected.

Of the provinces Saskatchewan
shows the largest ratio of increase,
having jumped in population from 91,
279 to 453,508 while Alberta, com-
pared with an increase of from 73,
022 to 372,919 in the decade.

The province of Quebec shows an
increase in population of 351,799,
while Ontario has increased by 356,
955, British Columbia increased by
141,409 and Manitoba by 149,480.

The provinces of the west have
fallen away in population, Nova
Scotia showing a decline of 2,273; New-
Brunswick, 20,732 and Prince Edward
Island, 10,537.

Montreal shows the largest increase
in population of any city in the Do-
minion and continues to maintain its
position as the most important urban
centre. The total population of the
city in 1901 was 267,788 ten
years ago, an increase of 198,467. In-
cluding Westmount, Montmorency and
Verdun, Montreal has a population of
510,511, or a comfortable margin over
half a million mark.

Toronto is second place, growinged

over 208,048 to 376,240 in 1911, an in-
crease of 168,200.

Vancouver jumped from 27,083 to
50,430, an increase of 23,347.

The population of Halifax is 48,502

an increase of 5,249 in the decade.

The population by provinces is as follows:

1911	1901
Alberta	362,919
British Columbia	362,758
Manitoba	454,091
New Brunswick	331,815
Nova Scotia	461,847
Ontario	2,519,902
Prince Edward I.	93,722
Quebec	2,000,697
Saskatchewan	453,508
N. W. Territories	10,000
Yukon	Not given

FEDERAL REPRESENTATION

The members that each province has
now in the Federal House and the
number at the next election are as
follows:

	At present	Next election
Alberta	7	12
British Columbia	7	12
Manitoba	10	15
New Brunswick	13	11
Ontario	36	32
Prince Edward I.	3	2
Nova Scotia	18	16
Quebec	65 (fixed)	10
Saskatchewan	10	15
Yukon	1	1
Total	221	232

ALBERTA

	1911	1901
Calgary	43,736	4,097
Edmonton	24,882	2,256
Lethbridge	8,048	2,072
Medicine Hat	5,372	1,370
Strathcona	5,850	5,930

The figures for Wetaskiwin and the
other Alberta towns are not announ-

CONCERNED ATTEMPT TO CUT LUMBER OUTPUT MADE BY MOUNTAIN MILLMEN

Calgary, Oct. 11.—Denying that it is their intention to form a committee for anything approaching a "union" of the members of the Canadian Lumbermen's Association, who were in session in Calgary on Friday and Saturday, finished their deliberations early on Sunday morning after a lengthy session, the result of which will be to limit the output of mills and curtail the lumber industry in Alberta and British Columbia until the year 1913.

Although all the members of the association are very reticent regarding what took place at their recent session, it was learned that it was decided to call in all the travelers, now selling lumber in the northwest, and establish a central sales office in this city, with a small force of travelers. This will enable the British Columbia lumbermen to sell their lumber through the one office and will do away with the force of several hundred salesmen now employed. It also means that in future there will be no cutting of prices, as the mills selling through the central sales depot will not have to compete with each other, but will have the orders brought in divided up amongst them, all at the same price.

In addition to the foregoing it was decided to curtail the output for the next year, and the majority of the millmen present signified their intention of not doing any logging this winter at all. Many of the big mills are already selling their horses, preferring to do this rather than keep them idle until operations are again commenced in 1913. The majority of the mills are carrying heavy stocks of lumber, while reports from points in the prairie indicate that the retail yards are also well stocked up.

Another important decision reached was that the British Columbia lumbermen will fight competition with the United States mills, even if they have to sell at a loss. An attempt will be made to have the government place a duty on rough lumber. As it now stands rough lumber can be shipped in from the States duty free. This lumber is dressed on one side, but the United States mills have found a way to evade the law and have been shipping millions of feet of lumber into Canada by removing the edges, which serves the purpose equally as well as planing them.

This matter was discussed very fully, and all the members were unanimous in forcing out the American lumbermen wherever they were found to be selling, even if prices have to be cut to do so.

CAMROSE

(From The Canadian)

Died—Early on Sunday morning the infant daughter of Mr. and Mrs. C.L. Langbell.

For the six per cent. debentures recently offered for sale by the school an offer of 104 1/2 has been received and accepted.

On Monday a tri-weekly mixed train service started on the C.N.R., but according to Mr. Sturges, the temporary agent here no schedule has as yet been issued. The train at present, however, leaves Edmonton on Monday, Wednesday and Friday about 10 a.m., and returns from Stettler on Tuesday, Thursday and Saturday.

Dr. H. A. Mustard, honor graduate of University of Toronto and Royal College of Dental Surgeons of Ontario, has arrived from Winnipeg to act as Dr. F. Shea's assistant.

Mr. and Mrs. Gross and Sons Gordon and Reginald spent the weekend at Miquelon Lake the guests of May or Mrs. Layton. Mr. Gross is managing director of the Gross Lumber Co., Wetaskiwin.

We regret to announce that Mr. C. G. Cornelle, who has been spending the summer in the east and is now in Toronto, is at present suffering with an attack of rheumatic fever and is unlikely to come west for some time.

The prize turnip at the Camrose Fall Fair and a large selection of vegetables and grains were the day after the fair to Winnipeg, where they will be on exhibition in the G. T. P. offices. The turnip, which was found to be 37 1/2 inches in circumference and to weigh 24 1/2 pounds, is believed to be a record breaker for Central Alberta. It surpasses by 3 1/2 pounds in weight the turnip which was heralded in the Edmonton Bulletin last week as being the biggest turnip of the year. W.W. Harber, of Camrose, has the honor of having raised this monster turnip.

Contrary to the general expectations and greatly to the delight of the directors, glorious weather prevailed during the two days of the agricultural fair, and as a result it was a great success. For the past two or three years inclement weather

has ruled and consequently the show lost financially, but the receipts of this year should more than meet the expenditure. Never before has there congregated in Camrose so large a crowd as that which gathered at the fair grounds on Friday afternoon. It is computed that at least 1,500 people were present, and it is probable that the 2,000 mark was reached. From all the neighboring towns large contingents came and all seemed pleased with the day spent at the fair. At ten o'clock on Thursday all the directors were busy fulfilling their duties and by noon the judging commenced. The two government judges were Dr. Campbell, of High River, and Mr. Terry of Medicine Hat, the former taking the horse classes and the latter the cattle, sheep and swine, along with J. Harris, the poultry.

SCHOOL CONCERT

Prizes Won on Field Day to be Awarded

An entertainment is to be given in the Assembly Hall of the Alexandra school on Friday evening of this week, when the medals and prizes won on Field Day will be awarded. An excellent program has been prepared, and a most enjoyable time is assured all who attend. There is no admission fee, and the parents of the children and all friends of the school are cordially invited to be present.

OFFICIAL TESTS ARE SATISFACTORY

Hercules Rotary Engine Proved Itself a Wonder

As intimated last week, several tests have been conducted this week at the Hercules Rotary Engine Works, when it was demonstrated to the satisfaction of all that the little engine will do all that is claimed for it. Mr. Maxwell, mechanical engineer, is having charge of the tests, but the official figures will not be given until they are presented to the shareholders at a meeting to be held in the near future. These tests, which are of various kinds, so that it will be placed on record just what the engine will do under different conditions, will not be concluded for another week or ten days. Much interest is being taken in the tests, especially by the board of directors and those owning a large number of shares.

George Carus made a business trip to the C.N.R. on Saturday last.

Biliousness is due to a disordered condition of the stomach. Chamberlain's Tablets are essentially a stomach medicine, intended especially to act on that organ, to cleanse it, strengthen it, tone and invigorate it, to regulate the liver and to banish biliousness positively and effectually. For sale by dealers everywhere.

ALBERTA WINS SWEEPSTAKES CUP AT THE DRY FARMING CONGRESS

Colorado Springs, Col. (via Vancouver, B. C.), Oct. 18.—Alberta wins the Sweepstakes Cup for the best exhibit at the sixth International Dry Farming Congress, by a narrow margin of nineteen points over Oklahoma, scoring 725 to the latter's 706. The premium is a very fine silver cup, donated by Hon. J. R. McKinney, of Colorado Springs, and presented on behalf of the board of directors by Prof. W. H. Olin, of Idaho. Hon. Duncan Marshall received the cup for Alberta and in a neat address thanked the congress and the American people for the very friendly relations between the two countries. His reply was received with bursts of applause from delegates.

The rooms in the Gould Block, which have been leased by the Conservative Association, are now nicely fitted up, and tables are provided for reading, etc., magazines and papers are also provided for those who wish to keep in touch with the news of the hour.

Still the building in the city continues. Last week excavation was commenced for another building on Railway street, which will be 29x55 solid brick. This will be divided into stores. The owners are Gros Bros, and the work will be rushed to completion as quickly as possible.

Another telephone line will be erecting east of the city this fall, which will prove a great convenience to the farmers living adjacent to the new line. The line running north-east has been well patronized ever since it was installed.

THOUGHT IT WAS CANCER

"Fruit-a-lives" completely restored me

SYDNEY MINES, N.S., Jan. 24th, 1910.
"For many years, I suffered tortures
from Indigestion and Dyspepsia. Two
years ago, I was so bad that I vomited
my food constantly. I also suffered with
Constipation. I consulted physicians,
as I was afraid the disease was cancer,
but medicine gave only temporary relief.

"I read in the Maritime Baptist about
'Fruit-a-lives' and the cures this
medicine was making and I decided
to try it. After taking three boxes, I
found a great change for the better and
now I can say 'Fruit-a-lives' has
entirely cured me when every other
treatment failed, and I reverently say
"Thank God for 'Fruit-a-lives'."

EDWIN ORAM, Sr.
"Fruit-a-lives" sweetens the stomach,
increases the actual quantity of gastric
juice in the stomach and ensures com-
plete digestion of all sensible food.
"Fruit-a-lives" is the only medicine in
the world made of fruit juices.
See a box of for \$2.50, or trial size,
50c. At all dealers, or from Fruit-a-lives
Limited, Ottawa.

COMMUNICATION

(We do not necessarily endorse the
sentiments of this or any other cor-
respondent appearing under this
heading.)

To the Editor of The Times,

Dear Sir:-

From week to week there is appearing
in the provincial press articles re-
garding Local Option, most of
which evidently emanate from the
Licensed Victuallers' Association.
Some of them have some truth in
them, but on the whole they are a
bout as misleading and untrue as
they well can be. For example a
short time ago, one of these which
appeared in the Wetaskiwin Free
Press made the following statement:

"License has been obtained in Owen
Sound after three years of Local Op-
tion and by whom?" By the keepers of
"dives," "blind pigs," etc., who are
making more money than they ever
did in all their lives without the
handicap of a license from the pro-
vince. Men, old and young, have
become peddlers in Owen Sound, Ont.,
and sell at advanced prices to the
thirsty traveler who strikes the town.
These do not want a reversion to li-
cense, consequently they work and
vote against it, and the temperance
element shout what they are not
able to do in Owen Sound. Owen
Sound had only one brewery under
license and has two breweries under
Local Option."

Now dear reader just note the false-
hoods in the paragraph quoted above.
Of all the parties mentioned for the
illegal sale of liquor in Owen Sound,
nearly all were former license holders,
or persons who were engaged by such,
and made their sales in the hotels of
these same license holders. At one
and the same time, some four of these
previous license holders were sen-
tenced to terms of imprisonment. Not
one person who had been convicted of
illegal sale of liquor under local op-
tion, or who was known to be, or
suspected of being engaged in such
work has ever been known to in any
way, either by word or vote, show
any sympathy with the Local Op-
tion movement. Its a black and in-
defensible falsehood to say that Local
Option is sustained by the keepers of
dives, blind pigs, etc.

Then as to the breweries, the state-
ment is not only untrue, but is an
absolute and straight reversal of what
is the truth. When the article ap-
peared I at once wrote to two par-
ties in Owen Sound, viz. M. C. Beck-
ett, Esq., License Inspector for North
Grey, and C. A. Fleming, Esq., pro-
prietor of the Northern Business Col-
lege, in Owen Sound, for authoritative
statements in the matter, that the
public might have the truth, fresh
from headquarters. The following are
copies of the replies received:

Owen Sound, Ont., Sept. 27, 1911.
John A. Aysarrat, Esq.,

Edmonton, Alta.

Dear Sir:-
Your favor to hand re the number
of breweries now doing business in
Owen Sound, and in reply would say
that at the time Local Option came
into force here there were two brew-
eries and both doing a first class
business, but about six months after
Local Option came into force one of
them went down and the other brew-
ery only managed about half the time.
It does not do anything like half the
amount of business that it did prior
to the time that Local Option came

into force.

Yours truly,

Matt. C. Beckett.

Owen Sound, Ont., Sept. 28, 1911.
Owen Sound, Ont., Sept. 28, 1911.
John A. Aysarrat, Esq.,
Albion Block, 629 1st St.,
Edmonton, Alta.

Dear Sir:-

In answer to yours of the 12th inst.
I beg to say that the statements
quoted by you from an article in a
Wetaskiwin paper, are absolutely false
and utterly without foundation. As
a matter of fact we are now in our
sixth year of Local Option. A vote
was brought on about three years
ago, and the contest between the tem-
perance people who worked for local
option, and the liquor people who
worked against it was the most stren-
uous campaign that has ever been
fought in Canada, and the Local Op-
tion won out. Another vote is com-
ing on at the first of January, 1912,
in which the temperance people are
putting up a most strenuous cam-
paign and the liquor people are put-
ting up just as strenuous a cam-
paign as they ever did, to try and get
their licenses back. At the present time
they are appealing to put, approxi-
mately, 100 new names on the voters
list, and to strike 70 temperance peo-
ple off the list at a special court of
revision to be held on October 12th,
next, before the County Judge. The
temperance people have a larger list
of names to add, and a much larger
list of names to strike off the voters
list at the said Court of Revision. The
liquor people have been working as
organizers since the beginning of 1911
to try and get licenses back next Jan-
uary. It does not look as if the li-
quor people wanted to keep Local Op-
tion. In the present case it is prac-
tically a twelve month battle.

In regard to breweries, at the time
we passed Local Option there were
two in Owen Sound, namely, The Bat-
on Brewing & Malting Co., and Sch-
wan Bros. Brewery. After Local Op-
tion came in The Eaton Co. sold out
their brewing plant entirely, and have
not since made or sold a pint of
beer. The Schwan Bros. are still
running their brewery on a small scale
for outside trade. They are not al-
lowed to sell an ounce of their stuff
directly in Owen Sound; what they
sell must be shipped outside of the
Local Option district.

Yours very truly,

C. A. Fleming.

Surely no liquor man will have the
hardhood and nerve to repeat these
lying yarns about Owen Sound here-
after.

Trusting Mr. Editor that they will
insert the above, in order that this
matter may be put right, and thank-
ing you in advance for the same.

I am yours sincerely,

John A. Aysarrat.

We appreciate it if you will drop
into our Optical Parlor and consult
our optician, who are especially
equipped with the most modern in-
struments for eye-sight testing.
They will be pleased to give you
their best advice. We have testing
rooms especially fitted for this pur-
pose, and satisfactory service is as-
sured.

G.D. WALLACE

Robert Laird Borden Courageous, Honest

The Toronto Globe, the strongest and, with its ever-ready tide, Liberal paper in Canada, says of it is a cradle of poetry and mysticism. In Mr. Borden the result of the environment takes the form of a personality and charm, but an inward self that is revealed to few. The prime minister is a thorough gentleman, clean and straightforward, a fine companion, but withal reserved. As a campaigner he adjusts himself with difficulty to the varying personalities of a day's companionship. On the campaign platform he repeats day after day much the same speech. He has no secret that he would long ago have cheerfully laid aside both the burden and the honor of leading the opposition, but as he was the best politician available he was prevailed upon to remain. Now that his hour of victory has come, no one will grudge him his triumph.

During his years of minority leadership Mr. Borden would have returned to the law, his chosen vocation in life. It was a lawyer of the first rank, especially in the constitutional matters, that he achieved his standing in his native province of Nova Scotia. His arm was at the front lines of inquiry and study in the legal profession, and Mr. Borden was happiest when arguing before a judge of the superior court. He was not a jury lawyer, and he has never been a popular orator. His style is that of logical and argumentative, rather than fervid or imaginative. His speech is thoroughly prepared, and filled with the thought that comes of wide reading. Only now and again a word relieves the weight of the argument. As a campaign orator, Mr. Borden, though never brilliant, has improved in recent years. His audiences are impressed by his sincerity and earnestness, as well as by his courage. His courage was notably shown in his recent western tour, when he told the grain-growers that he would continue to oppose reciprocity, even though he never became premier. Time has shown that he was a better interpreter of the spirit of the country than at the time he was thought to be.

Grand Pre, the scene of the expulsion of the Acadians from Nova Scotia, in 1814. Under the shadow of Borden's ministry, the future premier, passing in his campaign as he raced through the small room in the southeast corner of the parliamentary block at Ottawa, a great mother at Grand Pre, now tells the joy his success has brought to her. In a few weeks he will greet the Duke of Connaught, the king's uncle and future governor-general of Canada, and, better still, will write his speeches to parliament for him. A new prophet has arisen in Canada.

THE GOLDEN OPPORTUNITY

Among the persons who have recently made provision for old age when it comes are two sisters aged respectively 33 and 34 years. They have purchased from the Canadian Government a Last Survivor Annuity that is an annuity which will give them together an income of \$600 a year, so long as they both live, and to be continued to the survivor as long as she lives. The cost of this annuity, \$3,648.45, had been invested at 3 per cent and had brought in less than \$150.00 annually, with the difficulty and annoyances of reinvestment. The annuity becomes payable when the younger sister attains the age of 55, and should both die before that time the purchase money will be refunded to their heirs with 3 per cent compound interest. Each is now earning her own living, and the annuity is the fruit of their labors a number of years. They were thus enabled to appreciate their financial 24 per cent; in Germany 18 per cent; in London, England 30 per cent; and in Paris 8 per cent. This improvement has been concurrent with a proportionate decline of the general death rate and with a decline of alcoholism. All these declines were coincident with better housing, improved education, the social improvement of the people and their moral elevation.

A LIBERAL OFFER

We Guarantee to Relieve Dyspepsia. If We Fail the Medicine Costs Nothing

To unquestionably prove to the people that indigestion and dyspepsia can be permanently relieved and that Rexall Dyspepsia Tablets will bring about this result, we will furnish the medicine absolutely free if it fails to give satisfaction to anyone using it. The remarkable success of Rexall Dyspepsia Tablets is due to the high degree of scientific skill used in devising their formula as well as to the care exercised in their manufacture, whereby the well-known properties of Bismuth-Subnitrate and Pepsin have been combined with Carminatives and other agents. Rexall Dyspepsia Tablets and Pepsin are constantly employed and recognized by the entire medical profession as invaluable in the treatment of indigestion and dyspepsia.

The Pepsin used in Rexall Dyspepsia Tablets is carefully prepared so as to develop its greatest efficiency. Pepsin supplies the digestive apparatus one of the most important elements of the digestive fluid. Without it the digestion and assimilation of food are impossible. The Carminatives possess properties which aid in relieving the disturbances and pain caused by undigested food. This combination of these in-

gredients makes a remedy invaluable for the complete relief of indigestion and dyspepsia. We are so certain of this that we urge you to try Rexall Dyspepsia Tablets on our own personal guarantee. Three sizes, 25c, 50c, and \$1.00. Remember, you can obtain Rexall Remedies only at our store. The Rexall Store, H. L. Higgs.

Lethbridge, Oct. 14.—A separator belonging to Robert Hanna, of Stirling, was blown to pieces near Kaley, a stick of dynamite got into a sheaf of grain and into the separator, resulting in a terrific explosion. Fortunately no one was hurt, but the machine was demolished.

As a result of preventive and curative measures in the last ten years in England and Wales, mortality from tuberculosis has diminished 19 per cent; in Scotland 24 per cent; in Ireland the better to appreciate their financial 24 per cent; in Germany 18 per cent; in London, England 30 per cent; and in Paris 8 per cent. This improvement has been concurrent with a proportionate decline of the general death rate and with a decline of alcoholism. All these declines were coincident with better housing, improved education, the social improvement of the people and their moral elevation.

What will be known as the "Chateau Mielie" will be located on the rocky slope of Fiddle Creek Valley, in the Rocky Mountains, close to the hot springs and canyon. The institution will be the first palace hotel to be erected in the Rockies west of Edmonton by the Grand Trunk Railway Company. Work on the hotel will be started in the spring of 1912.

Palosa, Wash., Oct. 14.—Coyotes from the sandhills west of Palosa are preying on hogs and chickens. In one week they killed 117 pigs and 200 chickens. Farmers say they are more numerous than ever before and very bold. The bounty of \$5 does not seem to attract hunters.

A Prize Contest open to the Farmers of Canada

\$3,600 in Cash Prizes for Farmers

READ the conditions of the Prize Contest we are conducting for the farmers of Canada. \$400.00 in prizes will be awarded to four groups, consisting of:

- PRIZE "A"—\$100.00 to be given to the farmer in each Province who gives to the farmer in each Province the greatest number of copies of the "Canada" Cement Co. leaflet.
- PRIZE "B"—\$100.00 to be given to the farmer in each Province who gives to the farmer in each Province the best of any kind of work done on his farm during 1911.
- PRIZE "C"—\$100.00 to be given to the farmer in each Province who submits the best and most complete description of any sort of work done on his farm during 1911.

Every farmer in Canada is eligible. Therefore, do not be deterred from entering by any feeling that you would have little chance against your neighbor. For remember, Prizes "C" and "D" have no bearing whatever upon the quantity of cement used. As a matter of fact, your success in this contest will depend to a great extent on your careful reading of our 160-page book, "What the Farmer Can Do With Concrete." In this book—sent free on request to any farmer, full instructions are given as to the uses of concrete, and plans for every kind of farm buildings and farm utility. You'll see the need of this book, whether you are going to try for a prize or not. If you have not got your copy yet, write for it tonight. Simply cut off the attached coupon—or a postcard will do—sign your name and address, then send it to:

Suffered From Her Heart, Could Not Stand Hard Work

Mrs. Harry Smith, 31 Eagle Ave., Brantford, Ont., writes:—"I have suffered with my heart a great deal, and could not stand any hard work. I was doctoring with the Doctor and he told me I had to stop doing anything, but, however, a friend told me about your Milburn's Heart and Nerve Pills, so I got a box and tried them. I had to take several boxes before I felt any benefit, but after doing so I found they were beginning to help me. I am continuing their use and am now in a position to do all my own work, which I felt I would have to give up."

Was Troubled With Sour Stomach and Biliousness
Miss Bessie O'Leary, Campbellford, Ont., writes: "I was troubled with sour stomach and biliousness for two years and could get no relief until I tried Miller's Laxative Liver Pills. I had only taken them a short time when I felt like a new person, and now I can recommend them to all sufferers."
There are very few people who have never suffered from a sour stomach or biliousness, but to those who are we can highly recommend our Miller's Laxative Liver Pills, as they are a specific for these most dangerous but very unpleasant complaints.
The price of Miller's Laxative Liver Pills is 25c. per vial or 5 vials for \$1.00. At all dealers or mailed direct on receipt of price The T. M. L. Co., Limited, Toronto, Ont.
For sale by Red Cross Pharmacy, Stur.

CHAS. TATE LOSES AN ARM
Mr. Charles Tate, a farmer, aged 70, living east of Ponoka, was driving home from Wetaskiwin where he had been to see his sons, William and Charles, Wednesday afternoon, and while crossing the river in an attempt to remove the cartridges from an old hammer gun, which he had a long, one barrel went off kicking the gun backwards upon his lap and the other barrel discharging soon afterwards hit him in the left forearm, shattering the bone and mangle the flesh to a horrible extent. Not waiting to pick up the gun he took the lines in one hand and drove in all haste to the home of Mr. Mann, Indian agent at Hobbema, a distance of three miles, where Miss Mann bandaged the arm. Comfortable as possible Mr. Tate caught the south bound train for Ponoka, where he arrived almost exhausted.

Wednesday evening Doctors Campbell and Bell attended the arm. Mr. Tate is in a very weak condition but have strong hopes for his ultimate recovery.

Mr. Tate was brought to the city on Monday and is now living at the home of his son Charles.

NEWS NOTES
The Canadian Northern Railway has inaugurated for their Royal Line of Steamers, a tourist car service from this city, which is entirely a new feature, and will prove a great convenience to those intending to go to Europe on the Christmas excursions.

They will have through tourist cars leaving here on the morning of November 25th, which will run through to Halifax without change. All passengers will be delivered to the steamers side, which will sail on the night of November 29th. These cars are going to be run on a very fast schedule as will be noticed, leaving here on Saturday morning and reaching Halifax the following Wednesday.

Particulars of the low excursion fares to Europe are now available and can be obtained from Mr. Jos. Madill, City Ticket Agent, Canadian Northern Railway, Edmonton, who also has a diagram for tourist cars and on the steamer for intending passengers. As the facilities will be taken advantage of by a great number of travelers, no time should be wasted in securing reservations. 25-41a

SUFFERERS FROM PILES
Zam-Buk Has Cured Them! Friction on the hemorrhoidous veins which swell, inflamed and congested, is what causes the terrible pain and smarting and stinging of piles. Zam-Buk applied at night will be found to give ease before morning. Thousands of persons have proved this. Why not be guided by the experience of others?

Mr. Thomas Pearson, of Prince Albert, Sask., writes: "I must thank you for the benefit I have received from Zam-Buk. Last summer I suffered greatly from piles. I started to use Zam-Buk and found it gave me relief, so I continued it, and after using three or four boxes I am pleased to say it has effected a complete cure."

Mr. G. A. Dufresne, 133-135 St. Joseph Street, St. Roch, Quebec, P. Q., writes: "I can highly recommend Zam-Buk to everyone who suffers from piles."

Magistrate Sanford, of Weston, King's Co., N. S., says: "I suffered long from itching piles, but Zam-Buk has now cured me."

Mr. William Kenty, of Upper Nine Mile River, Hants Co., N.S., says: "I suffered terribly from piles, the pain at times being almost unbearable. I tried various ointments, but everything I tried failed to do me the slightest good. I was tired of trying various remedies, when I heard of Zam-Buk, and thought as a last resource I would give this balm a trial. After a very short time Zam-Buk effected a complete cure."

Zam-Buk is also a sure cure for skin injuries and diseases, eczema, ulcers, varicose veins, cuts, burns, bruises, chaps, cold sores, etc. 50c. at box at all druggists and stores, or post free from Zam-Buk Co., Toronto, for price. Refuse harmful imitations. Try Zam-Buk Soap, 25c. tablet.

Quebec, Oct. 14.-The royal train leaving the Date of Connaught, Quebec at forty-five minutes after noon yesterday, on its way to Ottawa. This concluded the first and principal stage of the reception of the new governor general in Canada. There will be further ceremonies in Ottawa, but they will be comparatively unimportant.

Wood's Peppermint Cure
The Great Peppermint Cure for Coughs, Croup, Whooping Cough, Bronchitis, Asthma, Hay Fever, Sore Throat, Influenza, and all Lung Diseases. It is a sure cure for all these ailments. DR. PRICE'S CREAM Baking Powder
Is a protection and guarantee against alum which is found in the low priced baking powders.

To be on the safe side when buying baking powder, examine the label and take only a brand shown to be made from Cream of Tartar.

GET IN YOUR COAL
The impression among the Nimrods is that the coming winter will be exceptionally mild, their reason for so saying having its origin in the fact that the geese are very late in taking their southward flight. On the other hand many of the old-timers contend that that winter will be severe, as the rats are building big houses and the horses and cattle are growing an exceptionally heavy coat of hair. In any case it would be advisable to get in a supply of coal, and not to be caught by the threatened famine.

THE LONG ROAD
Barn Hamilton Birehall, in October Canada Monthly (formerly Canada West).
Sullen sky and sullen sea,
Gull afloat below;
Now my love has gone from me,
Let him turn and go,
Shudders coming through the piles,
as Crawling sea before.
Nay, I love you not, my lad,
We will dream no more.
Sullen sky and sullen sea,
Treachery, oozing foam,
There's the empty offering,
And the long road home.

TO THE PUBLIC

I desire to announce to the public that I have purchased the
bakery and confectionery business from Mr. E. Girling. I
have taken possession, and will continue the business at the
old stand, and hope, by supplying the best of everything in the
confectionery and bakery line, and by courteous treatment to
merit a fair share of the patronage of the city and district.

City News

The many friends of Mr. A. T. Mode
are pleased to learn that he is re-
covering nicely after his severe ill-
ness.

Mrs. H. J. Montgomery wishes to
announce that she will not again re-
ceive formally until further intima-
tion.

The many friends of Mr. and Mrs.
G. R. Taylor regret to learn that
their infant child, which has been ill
for some time, is not improving.

Among those who were visiting
friends in Edmonton this week were
Mrs. H. L. Higgs, Mrs. T. G. Bos-
worth and Mrs. R. A. Elliott of this
city.

Great middle weight championship
wrestling match, catch-as-catch-can,
to a finish—no draw—in Angus Hall,
Friday night of this week, Ellison vs.
Connell. Don't miss it.

Ex-Mayor Montgomery is having a
large addition erected to his resi-
dence, on Ninth street, which, when
completed, will add greatly to the
comfort and appearance of the place.

C. D. Enman, secretary of the We-
taskiwin Agricultural Society, has
the cheques made out in favor of all
winners of prize money at the recent
exhibition, and same may be had
by calling at his office.

The fire brigade had a run on Tues-
day evening to the home of Chas.
Kolb. A burning chimney was the
cause, but fortunately the fire was
extinguished without the assistance
of the brigade, and before much dam-
age was done.

S. W. Perkins has disposed of his
livery and draying business on Lorne
street to Wilson Bros., of Angus
Ridge, who take possession on Nov.
1st. Mr. Perkins has not yet decided
on his future course, but has several
good offers before him. He says his
faith is greater than ever in the fu-
ture of the city and he will not be
leaving the town.

George McManus is taking a well-
earned vacation visiting his parents
and other relatives and friends at the
Capital. He will also spend a few
days in Banff. His duties at the
station are being performed by Mr.
Trickey, general relieving agent.

Messrs. Higgs and Bosworth left on
Monday evening on a few days shoot-
ing expedition in the vicinity of But-
tern Lake.

Mayor Fowler made a business trip
to Sedgewick on Wednesday evening.

While attempting to board the west-
bound Prairie freight on Monday
morning, a Finnlander, of unknown
name, received serious injury. Dr.
Stapleford was called and found that
the man's skull was fractured and
that he was also suffering from in-
ternal injury. After receiving the hos-
pitality of the Armistage for a day
the authorities had him removed to
the Bawlf hospital—Sedgewick—Sen-
tinel.

LACOMBE BAGGAGEMAN KILLED
AS RESULT OF TERRIFIC EX-
PLOSION. TWO TRAVELERS
UNDER ARREST.

Lacombe, Alta., Oct. 12.—At 7.40
last night, a terrific explosion wreck-
ed the C.P.R. depot here, killing E.
G. McLeod, baggageman and seriously
injurying his assistant, Bickford.
The baggageman was moving a trunk
in the baggage room when the ex-
plosion occurred. The roof and sides
of the building were blown out and
the station generally wrecked. The
cause of the explosion is unknown.
Detectives were at once put on the
case of two traveling photographers
whose trunks, it is alleged, exploded,
having been placed under arrest. They
were about to board the five o'clock
train south this morning. They admit
having chemicals in their trunk,
but the police have other theories as
they consider photographic chemicals
could not have wrought the destruc-
tion. The names of the men are H. Neine
and brother, no place of residence be-
ing given. A coroner's inquest was
held this morning on the body of Mc-
Leod.

At the request of the detectives it
was adjourned until Friday next when
they expected to have startling evidence
to put before the jury.

McLeod had been a resident of La-
combe for several years and in a busi-
ness capacity made many friends. He
was one of the most highly respected
young men of the town. He has a
brother here, also other relatives. He
came originally from the Maritime
provinces, Bickford, the other injur-
ed man, is in the hospital suffering
severely from shock and burn, but
the doctors expect to bring him throu-
gh. The explosion was so great that
windows in the business portion of
the town were shattered and houses
half a mile away were shaken.
